REMARKS

The foregoing amendments are directed to formalities, in order to move the above-referenced patent application to issue. Entry and approval of this Amendment are respectfully requested.

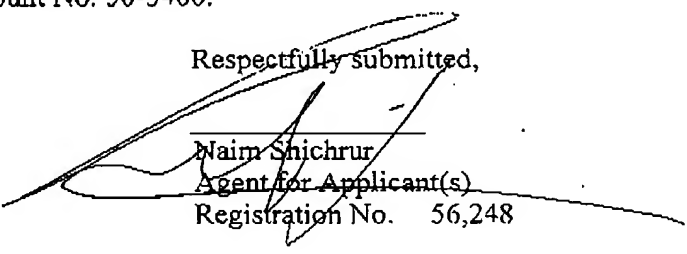

Remarks to the Claims

Claims 1, 2, 4, 5, 6, and 8 have been amended herein in order to correct typographical errors. For example, claim 8 has been amended to end in a period; claims 2, 4, and 6 have been amended to include the indefinite article "a/an"; and claim 5 has been amended to include the verb "is". Similar grammatical amendments have been made to claim 1 for clarity.

Applicant respectfully asserts that no new matter is added by these amendments to the claims.

The Examiner is invited to telephone the undersigned counsel to discuss any further matters yet to be resolved to advance this application to issue. No fee is believed to be necessary in connection with this paper. If, however, a fee is deemed necessary, please charge any such fees to deposit account No. 50-3400.

Respectfully submitted,
